This book traces a significant shift in 20th century Irish theatre from the largely national plays produced in Dublin to a more expansive international art form. Confirmed by the recent success outside of Ireland of the "third wave" of Irish playwrights writing in the 1990s, the new Irish drama has encouraged critics to reconsider both the early

The history of Irish theatre begins with

Download Ebook A Century Of Irish Drama Widening The Stage Drama And Performance Studies

the rise of the English administration in Dublin at the start of the 17th century. Over the next 400 years this small country was to make a disproportionate contribution to drama in English. In the early days of its history, theatrical productions in Ireland tended to serve the political purposes of the administration, but as more theatres
