A Companion to the Horror Film Edited by Harry Benshoff Published by John Wiley & Sons Ltd., 2014. 588 pages. My first thought about this book of collected essays was the cost, retail price of \$180. Now, this is a very thick and heavy hardcover book, close to 600 pages, written by a group of...

Book Review: A Companion to the Horror Film

enjoyment of watching horror films always significant. The Gender Socialization theory (1986) by Zillman, Weaver, Mundorf and Aust exposed 36 male and 36 female undergraduates to a horror movie with the "same age, opposite-gender companion of low or high initial appeal who expressed mastery, affective indifference, or distress."

The Aesthetics and Psychology Behind Horror Films

With contributions by many of the best-known scholars of film horror, A Companion to the Horror Film offers a critical survey of the art and practice of horror movies covering everything from craft and technique, historical developments, and modern-day trends, to broader topics opening onto the socio-political dimensions of the genre.
