Doctors from Hell: The Horrific Account of Nazi ...

A chilling story of human depravity and ultimate justice, told for the first time by an eyewitness court reporter for the Nuremberg war crimes trial of Nazi doctors. This is the account of 23 men torturing and killing by experiment in the name of scientific research and patriotism. Doctors from Hell includes trial transcripts that have not been easily available to the general public and previously unpublished photographs used as evidence in the trial.

Doctors from Hell: The Horrific Account of Nazi ...

In Doctors from hell: the horrific account of Nazi experiments on humans, she recounts in vivid, objective detail the horrific human experiments conducted by 20 so-called physicians and medical assistants in Germany under the direction of the Nazis. The human experiments included "high-altitude" experiments in which concentration camp inmates were forced, without oxygen, into high-altitude chambers that duplicated conditions at up to 68,000 feet; removal of sections of bone, muscle, and ...
