Why Entrepreneurship is an Art and not a Science
Entrepreneurship is a mix of art and science — there's almost no getting around it, if what you're seeking is sustainable success. I love the perspective of the Italian saying you mentioned, that the entrepreneur feels the business in his stomach before he/she makes plans to act.

Is Entrepreneurship Art Or Science? - Company Founder
Science and art do. Art = science. ** I used visual art analogies, but I think this is true for any art medium, including music, written word, spoke word, dance, mathematics, and cooking.
