Ethics in Politics Why it matters more than ever and How

...

Ethics of process. Niccolò Machiavelli is one of the most famous (or infamous) political theorists that spoke on, and later subverted, the matters of political ethics. Unlike Aristotle, he believed that a political leader may be required to behave in evil ways if necessary to maintain his authority. In contemporary democracies, a variant of this idea has been reframed as the problem of dirty hands, described most influentially by Michael

Ethics and world politics (Book, 2010) [WorldCat.org]

* A fabulously clear and comprehensive introduction to the issues, Ethics and World Politics reaches past the partisan, conceptual divides that characterize "the literature" (normative versus descriptive, realism versus idealism, continental versus analytical approaches, political theory versus I.R.) and shines a light on such sadly overlooked questions as the inequitable patterns of global suffering, the problem of international and post-colonial inequality, and the politics of human rights.

Ethics and world politics (Book, 2010) [WorldCat.org]

"Friendship in Islamic Ethics and World Politics is the right book to appear at the right time and in the right place. So, the moment at hand is unique. And the same can be said about the book we see here. I do not know of anything comparable on the horizon."
