A five-star rank is a very senior military rank, first established in the United States in 1944, with a five-star general insignia, and corresponding ranks in other countries. The rank is that of the most senior operational military commanders, and within NATO's "standard rank scale" it is designated by the code OF-10. Not all armed forces have such a rank, and in those that do the actual insignia of the "five-star ranks" may not contain five stars. For example: the insignia for the French OF-10
