The Gospel of Thomas is different from other gospels. Instead of telling the story of Jesus, or even being written like a sermon, it contains His sayings. Except, most of these sayings are not in the Bible. Some of them are cryptic and even contradict sayings found in the official Gospels. Some sections even paint Jesus as a god but not a human.

Top 10 Gospels You Won't Find In The Bible

In short, there are other "gospels," but they didn't make the cut. Key takeaways. The gospels we have were carefully vetted against a body of early church literature—and the four gospels in the Bible are the most historically accurate, divinely inspired accounts of Christ. The good news of Jesus Christ is only good news if it's true.

A Commentary on the Four GOSPELS

The historical reliability of the Gospels refers to the reliability and historic character of the four New Testament gospels as historical documents. While all four canonical gospels contain some sayings and events which may meet one or more of the five criteria for historical reliability used in biblical studies, the assessment and evaluation of these elements is a matter of ongoing debate.
