Jasper, like his older brother, Edmund, received recognition and a generous endowment from his half-brother, Henry VI. Breverton looks at Jasper's early career and discovers that, during the 1440s and 1450s, far from being a blind partisan of Henry's inept government, he was on good terms with Richard of York, and sought to support York's attempts to improve government.

Jasper was born out of a secret marriage. His mother had been the Queen of England, Katherine of Valois. After her husband (Henry V) died, she secretly married a member of her household, a Welshman called Owen Tudor, and bore him two sons – Edmund and Jasper. From this secret marriage came the entire Tudor dynasty.
