National Sprint Round Problems

problems are given all at once. Students have 40 minutes to complete the Sprint Round. This round is very fast-paced and requires speed and accuracy as well. The earlier problems are usually the easiest problems in the competition, and the later problems can be as hard as some of the Team Round questions.

**Problem Solving**  
Round Problems

The book does an excellent job in provide detailed step-by-step solutions to the problems. This book along with the other two companion books (11 years solutions for national and state sprint and targets) by the same author has become my 7th grader's favorite reference books for mathcounts competition practice.
