Regency romances are a subgenre of romance novels set during the period of the British Regency (1811-1820) or early 19th century. Rather than simply being versions of contemporary romance stories transported to a historical setting, Regency romances are a distinct genre with their own plot and stylistic conventions. These derive not so much from the 19th-century contemporary works of Jane ...

Regency romance - Wikipedia

There's one genre of historical romance that has it all: Regency Romance. Taking place during approximately 1795-1837 (also known as the Regency era of England, where King George was ousted from the throne and his son took his place...who would later be followed by Queen Victoria!) there are hundreds of novels following the lives and loves of Lords, Earls, Dukes, Marquesses, Rogues ...
