Rethinking Cyberlaw - Edward Elgar Publishing

It is not difficult to guess the grand ambition from the title of Rethinking Cyberlaw: A New Vision For Internet Law. The primary goal of Jacqueline Lipton (David L. Brennan Chair in Law and the Director of the Center for Intellectual Property Law and Technology at the University of Akron School of Law in the US) is to establish an informed debate about the extent to which the focus, metaphors and narratives in cyberlaw are important and helpful in thinking about the challenges posed by ...

Rethinking Cyberlaw A New Vision for Internet Law - ebook ...

The practice and experience of punishment is one of the more pressing daily issues of human rights. In recognition of this fact, especially in our era of mass incarceration, the Law, Societies, and Justice Program and the University of Washington Center for Human Rights (UWCHR) are joining forces on a new project, titled "Rethinking Punishment: Human Rights in an Age of Mass Incarceration."
