The decision to focus on set priorities does not preclude other action being taken at either the national or the local level It is a defining characteristic of Talk to Me 2 that it identifies not just the risk and

### Talk to me 2 - GOV.WALES

Conversations are spontaneous Sponteneity occurs because a conversation proceeds, to some extent, and in some way, unpredictably. The scope of that spontaneity may legitimately be somewhat pre-limited for the purpose of expediency, e.g. a talk show or a debate. But a scripted conversation falls outside this definition.

### Talk:Conversation - Wikipedia

Is there a way to encourage better, deeper conversations? —Josh The problem isn't that your co-workers are unusually boring; rather, it's the social norms for your meetings. Research has found that people usually gravitate toward small talk even when they crave connection because sharing important things about ourselves can be socially risky.
