## 2017 In October

Last year, International Women's Day (IWD) - which wasn't exactly an unknown entity before 2017, to be fair - suddenly ballooned into one of those days that is completely impossible to avoid, such is the attention it garners. Broadcasters and news agencies craft large swathes of their content around it and social media is absolutely awash with it; in fact, seven of the top 10 trends on ...
